

WIRE TRANSFERS

A. Recipient Information

- **Bank Name:** National Commercial Bank
- **Account Name :** Gateway Co-operative Credit Union
- **Account Number:** 432-302-962
- **Branch:** St. James Street
- **Swift Code:** JNCBJMKX (for overseas customers)

Please note, when the sender is filling out the remittance form, where it says recipient, Gateway Co-operative Credit Union is to be filled in.

Where it says recipient account number, 432-302-962 should be placed there.

B. Additional Information/Message

The following information **must** be inputted on the form where it states *additional information or message*:

- Member's Name and Account Number at Gateway Co-operative Credit Union
- Type of account to which the deposit should be made.

C. Fax or Email Receipt

After completing the transaction, the sender should either fax the document received from the bank or financial institution to the accounts department at 876-971-5443 or email the accounts department at accounts@gatewayja.com.

D. Processing Time

Members are being advised that monies remitted will not be directly credited to their account at Gateway Co-operative Credit Union. In order for funds to be credited, Gateway Co-operative Credit Union must be in possession of the remittance receipt from

the sender, and be able to identify the transaction in our account at National Commercial Bank, which usually takes about three to five working days.

E. Senders Requirement

The sender may be required to submit evidence for the source of funds deposited to our bank account.
